

## Clan of Gehinnom (The Windsors)

The House of Windsor are one of the most wicked and satanic bloodlines. They are involved with human sacrifices, mind control, satanic ritual abuse, cannibalism, drinking blood, bathing in blood, human trafficking, opium trafficking, terrorism, money laundering, and war crimes. The British Monarch is the blood appointed head of state, commander-in-chief of the armed forces, and can approve or veto laws and bills. Prince Charles openly claims to descend from Vlad Dracul and he owns one of Vlad the Impaler's old castles in Transylvania. Vlad Dracul was known for being sadistic and tormenting his victims. Dracul means dragon and the Dracul family were members of the Order of the Dragon. Vlad Dracul was the Prince of Wallachia. Prince Charles is the Prince of Wales. Wales gets its name from Walha. Wales uses a red dragon on its flag. Prince Charles is extremely sadistic and ruthless and he is backed up by his German cousin Prince Philipp Hohenlohe-Langenburg along with his wiccan wife Saskia Binder. The Estonian word Lohe in Hohen-lohe means

dragon and in German means flame. The House of Hohenlohe and Prince Charles are top members of the modern Order of the Dragon. Members of the British House of Rothschild are knighted by the House of Windsor. The Rothschilds are the Windsor's Jewish Court Factors and financiers. Evelyn de Rothschild is knighted by the British Crown and Jacob Rothschild is Prince Charles' economic adviser in Wales. The Rothschild family are a defense for the Windsors which have more power and authority and even more wealth. They conceal their wealth in private HSBC and Coutts bank accounts and the Rothschilds are used for funneling it through their financial institutions. The British Rothschilds work for the Windsor as their financiers. It was the British royal family that seized Palestine and migrated Zionists to Israel under the British law of Mandatory Palestine. The Windsors are Zionists and also Nazis that supported Hitler. Prince Michael of Kent's father in law was a Nazi and Hitler had a meeting with Prince Edward VIII.

Queen Elizabeth II really takes her name from the Dracul's cousins the Bathory family and Elizabeth Bathory who was a serial killer known as the "Blood Countess" and reports claim that she bathed in the blood of hundreds of young women. The Windsors run the Order of the Bath which really takes its name after the Bathory family. They covertly continue their ancestors blood rituals of bathing in blood and they wear blood red capes during their public ceremonies. The Dracul family took their name after the Order of the Dragon. The royal Karadjordjevic family of Yugoslavia reestablished this order in 2011 as the Sovereign Military Order of the Dragon with Prince Aleksandar Karadjordjevic as he head. Prince Aleksandar Karadjordjevic's godmother is Queen Elizabeth II and he was born and raised in the United Kingdom and is close friends with the Windsors. Jimmy Savile was close friends with Prince Charles and he was accused hundreds of times of pedophilia and sexual abuse. Jimmy Savile was a Knight of the British Empire and also a Vatican Knight of the Order of St Gregory. Canada is a Crown Colony. In the past century there have been official reports of missing Aboriginal children that were taken from their parents and forced into Crown schools and Crown Wards or orphanages. Missing children is acknowledged in the Truth and Reconciliation Commission of Canada. The Windsors traffic and murder children and run a global satanic cult. Prince Andrew the Duke of York is close friends with the convicted pedophile Jeffrey Epstein.

The Windsors have a harp on their coat of arms. The harp was used for bewitching minds in ancient times. They have authority over the USAF's HAARP which is radiating the atmosphere with electromagnetic waves and is used for mass mind control, mental manipulation, and for some weather manipulation. HAARP is named in reference to the harp and its use in ancient mind control. Wind-sors like wind and tornadoes. The Windsors are financing and running satanic cults in the United Kingdom and United States and these cults are involved in mind control, satanic ritual abuse and human sacrifice. Prince Edward is the Grand Master of the Grand Lodge of England. Their peerages also manage Freemasonry and there are tens of thousands of masonic lodges in the US. Freemasons are involved with satanic ritual abuse, mind control, pedophilia, blood drinking, and other various wickedness. The Windsor family also co-manage the Skull and Bones secret society at Yale. Yale and Harvard were established under the British Crown's authority and through a Crown Colony and today they use these universities for recruiting Crown agents. Skull and

Bones operates as a military council and death cult inside the United States with the Bush family as top members. George Herbert Walker Bush was a Knight of the Order of the Bath. They also use war to initiate death squads used for persecution and assassinations on a domestic level. The Windsors are covert owners of private militaries like Erinys International and Aegis Defence Services which are run by former British military like Tim Spicer who was knighted under the Order of the British Empire. Prince Harry who was active in the war in Afghanistan worships violence, death, holocausts, and destruction. Prince Harry is the Captain General of the Royal Marines. Prince William is a sexual sadist, serial killer, terrorist, pedophile, one of the most evil beings on this planet, and is a major promoter of the transsexual agenda. Prince William is a ruthless and highly premeditated sociopath.

The House of Windsor claim to be part owners of the United States as a continuation of the Virginia Company. The United States is defined as a federal corporation under US code 3002 section 15. The founding fathers were British and Scottish Freemasons. George Herbert Walker Bush was a British Knight of the Order of the Bath and served the House of Windsor. The Walker family were Virginian politicians with Francis Walker and his brother John Walker and they were involved in transforming the Virginia Company into the United States during the Revolutionary War. The Gulf War, Afghanistan War, and Iraq War occurred under the Bush family and the United Kingdom participated in these wars. The Windsor and Bush families are controlling the opium production in Afghanistan which produces the majority of the world's opium since the US invasion. Their opium operation is a continuation of the British Crown's East India Company which controlled the opium trade. They currently sell it to pharmaceutical companies and the rest is provided to mafias which process it into heroin and have it distributed on the streets. Opium is a strong depressant and is being used to weaken society as they attempt power grabs. The British Crown attempted to do this to China which led to them seizing Hong Kong when the Emperor banned the opium. The British Crown still has major control over Hong Kong which has economic leverage over the rest of China. The Windsor family also has leverage over organized crime in Hong Kong like the Triads. The British Crown was ruling Hong Kong until 1997 and many top bankers and businessmen in Hong Kong are British knights. The British Crown and House of Saxe-Coburg and Gotha have been using their wealth and influence to promote opiate drugs in the United States to try and weaken the population.

Prince Charles has covert authority over the Hells Angels motorcycle crime syndicate. Many members of the Hells Angels are descendants of Irish and Scottish Clans. The Hells Angels established themselves in the UK after the Beatles invited them. The Hells Angels set up charters in New Zealand and Canada which are nations ruled by the Windsors. Prince Charles is the head of the Cult of Hell and the Hells Angels are his minions. They are known for blowing up their enemies. Hells Angels have also infiltrated the trucking industry and work with other organized crime groups in trafficking weapons, drugs, and human beings. When I first exposed that the Windsors own the Hells Angels I had a Hells Angel park in front of my house. The local head of the Hell's Angels in my town is an Italian whose last name is Iduciani. Prince Harry is a top authority over the Aryan Brotherhood. Barry Mills who died in 2018 was the head boss of the Aryan Brotherhood and born in Windsor, California. Ronnie Dean Haskins II also known as Dirty Red is an Aryan Brotherhood gang member who was sentenced to more than 20 years and he has been Prince Harry's top criminal agent. The Windsors are the primary authority over Freemasonry through the Grand Lodge of England with Prince Edward as the Grand Master. Prince Michael of Kent is the Grand Master of the Order of Mark Master Masons. Members of House of Windsor include Queen Elizabeth II, Prince Philip of Edinburgh, Prince Edward of Kent, Prince Charles of Wales, Princess Camilla,

Princess Alexandra, Prince Andrew of York, Duchess Sarah of York, Princess Beatrice of York, Princess Anne, Prince Edward of Wessex, Countess Sophie of Wessex, Prince William of Cambridge, Duchess Catherine of Cambridge, Prince Harry of Sussex, Meghan Markle, Prince Michael of Kent, Princess Marie of Kent, Lady Gabriella Windsor, Prince Frederick Windsor, Princess Alexandra, James Ogilvy, Prince Edward of Kent, Prince George of St Andrews, Lord David Armstrong-Jones of Snowdon, Prince Richard of Gloucester, Princess Birgitte of Gloucester, and Prince Alexander of Ulster. This family needs to die.

Queen Elizabeth II is a mass murderer of children and a psychotic cannibalistic witch. The Windsors like all royals are cannibals. They keep children in their castles and palaces which they rape, murder, and cannibalize. Cannibalism, drinking human blood, and murder are the real initiations of secret societies. Queen Elizabeth is the Commander In Chief of the British Armed Forces and has the direct authority to commandeer ships which her Royal Navy did to an Iranian oil tanker causing conflict with Iran. It is as if Queen Elizabeth is trying to start a war.

**The Truth and Reconciliation Commission of Canada's "Missing Children and Unmarked Burials Project"** is a systematic effort to record and **analyze the deaths at the schools**, and the presence and condition of student cemeteries, within the regulatory context in which the schools were intended to operate. The project's research supports the following conclusions: • The Commission has **identified 3,200 deaths** on the Truth and Reconciliation Commission's Register of Confirmed Deaths of Named Residential School Students and the Register of Confirmed Deaths of **Unnamed Residential School Students**. • **For just under one-third of these deaths (32%), the government and the schools did not record the name of the student who died.** • For just under one-quarter of these deaths (23%), the government and the schools did not record the gender of the student who died. • **For just under one-half of these deaths (49%), the government and the schools did not record the cause of death.** • **Aboriginal children in residential schools died at a far higher rate than schoolaged children in the general population.** • For most of the history of the schools, the practice was not to send the bodies of students who died at schools to their home communities.

These examples point to a larger picture: many students who went to residential school never returned. They were lost to their families. **They died at rates that were far higher than those experienced by the general school-aged population. Their parents were often uninformed of their sickness and death. They were buried away from their families in long-neglected graves.** No one took care to count how many died or to record where they were buried.

Queen Elizabeth II doing the Nazi salute as a child because the House of Windsor were Nazis. In the propaganda article below she is shooting machine guns while the United Kingdom denies the right of citizens to basically own firearms with a few exceptions and that is hypocrisy. The article also admits that she hunts endangered species like tigers. It states that she wanted to fight in WWII and again she and her family are Nazis.

Prince Charles of Wales is the head of the Cult of Hell and Cult of Charon. Prince Charles is the primary owner of the Hells Angels and he is a torturous sadist. The Windsors torture adults and mostly children to death. They have torture chambers in their palaces and castles. The House of Windsor claim to be worth hundreds of millions however through their known business assets they are officially recognized to be worth about 40 billion with an added 50 billion to their "brand" and that does not account for their hidden shares in various companies and corporations created through the City of London Corporation under the British Crown and also does not account for their hidden assets in gold and silver or their private bank accounts with Coutts and HSBC. The Windsors are really worth at least hundreds of billions and have authority over businessmen and businesses worth tens of trillions.

When George VI died on 6 February 1952, little had changed in the modus operandi of the Royal Household – leaving aside the trauma of his elder brother's 1936 abdication – since the accession of his father George V in 1910. The new Queen inherited a pact with Parliament dating from 1760, in the reign of George III, whereby the monarch surrendered all revenues from the Crown Estate (of which more later) in exchange for an annual Civil List payment – then set at **£475,000 a year** – to cover her running costs as sovereign.

She also inherited private family estates at Sandringham in Norfolk and Balmoral in Aberdeenshire, and a private fortune which remains secret to this day – though the Sunday Times Rich List guessed **her total wealth in 2014 to be £330m**, one third of it "consisting largely of blue-chip British companies' shares".

The sovereign's **"tangible and intangible assets" have recently been valued (by Brand Finance, a consultancy usually concerned with consumer products and services) at £44bn**

While their tangible properties including Buckingham Palace, the Royal Collection of art, the famous Crown Jewels and the Duchies of Lancaster and Cornwall account for **\$33 billion**, the report claims that most of the royal worth is found in its brand. The family's added value to tourism, business trade and even fashion, among other sectors, is calculated at **\$55 billion**.

The English words **"Wales"** and "Welsh" derive from the same Germanic root (singular **Walh**, plural **Walha**), which was itself derived from the name of the Gaulish people known to the Romans as Volcae and which came to refer indiscriminately to all non-Germanic peoples. The Old English-speaking Anglo-Saxons came to use the term Wælisc when referring to the Britons in particular, and Wēalas when referring to their lands.[10] The modern names for some Continental European lands (e.g. Wallonia, **Wallachia** and Valais)

Dracula (/ˈdrækjələ/ (Romanian: Vlad Drăculea, pronunciation: [ˈdrəkulea] , Bulgarian: Влад Дракула); 1428/31 – 1476/77), was **Voivode of Wallachia** three times between 1448 and his death.

His name had its origin in the sobriquet of his father, Vlad Dracul ("Vlad the Dragon" in medieval Romanian), who received it after he became a **member of the Order of the Dragon**.<sup>[7][8]</sup> Dracula is the Slavonic genitive form of Dracul, meaning "[the son] of Dracul (or the Dragon)".<sup>[8][9]</sup> In modern Romanian, **dracul means "the devil"**, which contributed to Vlad's reputation.<sup>[9]</sup>

[Vlad] had a big copper cauldron built and put a lid made of wood with holes in it on top. **He put the people in the cauldron** and put their heads in the holes and fastened them there; then he filled it with water and set a fire under it and let the **people cry their eyes out until they were boiled to death**. And then he invented frightening, terrible, unheard of tortures. **He ordered that women be impaled together with their suckling babies on the same stake**. The babies fought for their lives at their mother's breasts until they died. **Then he had the women's breasts cut off and put the babies inside headfirst; thus he had them impaled together**.

In Greek mythology, **Charon** or Kharon (/ˈkɛərən, -ən/; Greek Χάρων) is the **ferryman of Hades** who carries souls of the newly deceased across the rivers Styx and Acheron that divided the world of the living from the world of the dead

The name Charon is most often explained as a proper noun from χάρων (charon), a poetic form of χαρωπός (charopós), "of keen gaze", referring either to fierce, flashing, or feverish eyes, or to eyes of a bluish-gray color. The word may be a euphemism for death.[2]

**"Haros"** is the modern Greek equivalent of Charon, and usage includes the curse **"you will be eaten (i.e., taken) by Haros"**, or "I was in the teeth of Haros" (i.e., "I was near death/very sick/badly injured").

Prince William the Duke of Cambridge is an owner of the Gay Mafia and the head of the Cult of Dionysus or Cult of Bacchus which is a cult of blood drinking lunatics and theatrical transsexuals or transvestites that rape, murder, cannibalize and vampirize children. Prince William was on the cover of a British gay magazine and Dionysus was considered to be androgynous like a hermaphrodite. The occult are obsessed with the idea of women with male genitals raping male children. The Gay Mafia are criminal gay men who are involved in pedophilia, child trafficking, and corrupting women. They are involved in the fashion industry. Dionysus was considered the deity of wine harvest and theater. Wine is often used as a metaphor for human blood like in the Bible. The Anglican Church does mock rituals of drinking human blood and eating human flesh and use the metaphors of wine for blood and bread for flesh. The Cult of Dionysus are architects of gang stalking. They try to script peoples lives and the Windsors finance gang stalkers to target people with theatrics and scripted or premeditated problems.

By 11 October 2012, allegations had been made to thirteen British police forces,[1] which led to the setting-up of **inquiries into practices at the BBC** and within the National Health Service. On 19 October, London's Metropolitan Police Service launched a formal criminal investigation, Operation Yewtree, into historic allegations of **child sexual abuse by Savile** and other individuals, some still living, over four decades. The Metropolitan Police stated that it was pursuing over 400 lines of inquiry, based on the claims of 200 witnesses, via fourteen police forces across the UK. It described the alleged abuse as being "on an unprecedented scale", and the number of potential victims as "staggering".[2][3] By 19 December, eight people had been questioned as part of the investigation. The Met stated that the total number of alleged victims was 589, of whom **450 alleged abuse by Savile.**[4][5]

Claims were made about Savile's activities in hospitals. **It was claimed that he sexually abused a 13-year-old patient during a visit to Stoke Mandeville Hospital in 1971 and an eight-year-old girl in the same hospital recovering from an operation.**[85] Staff reported **he searched the wards for young patients to abuse**, and they instructed patients in the children's ward to feign sleep during his visits.[86] A hospital spokesman said that, though it was working with the police, it had no record of inappropriate behaviour by Savile. [87] The BBC carried statements from a retired detective inspector of the local police force that a nurse at Stoke Mandeville hospital had reported Savile's abuse of patients there to him in the 1970s and **he had repeatedly informed his superiors about this, but they did not believe him.**[88]

**The East India Company** (EIC), also known as the Honourable East India Company (HEIC) or the British East India Company, and informally known as John Company,[2] Company Bahadur,[3] or simply The Company, was an English and later British joint-stock company.[4] It was formed to trade in the Indian Ocean region, initially with Mughal India and the East Indies, and later with Qing China.

The company **received a Royal Charter from Queen Elizabeth I** on 31 December 1600, coming relatively late to trade in the Indies.

In the 18th century, **Britain had a huge trade deficit with Qing dynasty China** and so, in 1773, the company created a **British monopoly on opium** buying in Bengal, India, by prohibiting the licensing of opium farmers and private cultivation. The monopoly system established in 1799 continued with minimal changes until 1947.[58] As the **opium trade was illegal in China**, Company ships could not carry opium to China. So the opium produced in Bengal was sold in Calcutta on condition that it be sent to China.[59]

In 1838 with the amount of **smuggled opium entering China approaching 1,400 tons a year**, the **Chinese imposed a death penalty for opium smuggling** and sent a Special Imperial Commissioner, Lin Zexu, to curb smuggling. **This resulted in the First Opium War** (1839–42). After the war **Hong Kong island was ceded to Britain** under the Treaty of Nanking and the Chinese market opened to the opium traders of Britain and other nations.[58]
